

DISCLOSURE POLICY

Everyone in a position to control the content of this educational activity will disclose to attendees the nature of any significant financial relationships they have with the companies providing support as well as the commercial manufacturers of products and/or the providers of services discussed in their presentations. They will also disclose if any pharmaceuticals or medical procedures and devices discussed are investigational and unapproved by the U. S. Food and Drug Administration (FDA).

PURPOSE/TARGET AUDIENCE

This educational activity is designed to provide attendees with a program of clinical and practical information relating to current orthopaedic practice as well as future directions in orthopaedic care. Topics will include legislative and governmental regulatory issues, surgical updates and practice management information. Target audiences for this program are Orthopaedic Surgeons, Orthopaedic Residents, Physician Assistants, Physical Therapists and Orthopaedic Practice Administrators.

SOCIAL

A social hour is planned at the hotel immediately following the IOS program. Heavy hors d'oeuvres and beverages will be served. Spouses and guests are welcome.

PROGRAM DIRECTOR and CONTACT

Mary A. Bechler, FACMPE
Executive Director, IOS

EDUCATIONAL OBJECTIVES

Upon completion of this program, participants should be able to: 1) Analyze the use of bearing surfaces in total joint replacement and to help identify the selection of which bearing surfaces are most optimal for which type of patients. 2) To explain the success that evidence-based medicine has had upon educating our physicians in changing new surgical techniques and decision making processes in orthopaedic surgery. 3) To explain and identify the appropriate use of blood products in the management of postoperative orthopaedic patients. 4) To explain and identify the cellular mechanisms of alcohol and its effects on orthopaedic trauma patients. 5) To identify the needs and pathologic situations for the role of surgical hip dislocation in treating traumatic and post-traumatic hip disorders. 6) To better understand the billing and funding mechanisms in the current private insurance industry. 7) To explain and identify the appropriate installation of electronic medical records and the pitfalls concerned with this process.

CME CREDIT

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the University of Iowa Carver College of Medicine and the Iowa Orthopaedic Society. The College is accredited by the ACCME to provide continuing medical education for physicians.

The University of Iowa Carver College of Medicine designates this educational activity for a maximum of 5.5 *AMA PRA Category 1 Credits*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

ACKNOWLEDGEMENT OF FINANCIAL SUPPORT

We gratefully acknowledge financial support of this program from several orthopaedic hardware and pharmaceutical companies, by their participation in exhibiting their product lines. Names of these companies will be provided in material distributed at the time of onsite registration.

Determination of educational content for this program and the selection of speakers are responsibilities of the program director. Firms providing financial support did not have input into these considerations.
